

Part-time Facility Technician

Crow Wing Power is seeking a hard working motivated individual for a part-time Facility Technician position. Responsibilities include but are not limited to: presentation of the buildings both inside and outside, fleet washing, snow removal, lawn care, and duties as assigned. This position requires computer experience, and a valid driver's license. Saturday will be a required working day. Minimum of 24 hours per week

Very competitive wage with benefits that include PTO and 401k.

Crow Wing Power is a progressive, diversified, member-owned distribution cooperative which serves 37,000 members in a three county region surrounding the beautiful Brainerd Lakes Area in north central Minnesota.

Medical exam and background checks are required.

Please send resume and/or application. Position open until filled
