

Join us for an Energy Tour

Again this year, Crow Wing Power members have an opportunity to tour the Basin Electric facilities near Bismarck, North Dakota. The trip is scheduled for October 3 – 5, 2017. The cost is \$120 per person and includes two nights lodging in Bismarck, 4 meals, good company and a terrific time. Seating is limited to 50 people.

Basin Electric Power, one of our wholesale power providers, is one of the largest electric generation and transmission cooperatives in the United States.

While there we will tour the following:

- Coteau Properties (Freedom Mine) – This mine delivers more than 16 million tons of coal per year, making it the largest lignite mine in the United States in deliveries.
- Dakota Gasification Company – This plant produces natural gas from coal and By products of the coal gasification process.
- Antelope Valley Station – A coal-fired electric generating station with a capacity of 900,000 kilowatts.
- Wilton Wind Farm – An 8,000 acre wind farm which produces enough power for 30,000 homes.

Sign me up for the Basin Electric Adult Tour, October 3 - 5.
Send your check (\$120 per person) with this registration form to:
Crow Wing Power, PO Box 507, Brainerd MN 56401

No phone reservations – mail only please.

Exclusively for Crow Wing Power members that have NOT gone on the tour before.
