*Crow Wing Power
 Attn: Customer Service
 PO Box 507
 Brainerd MN 56401*

This form will help us get the *Conversion of Electric Service* process going. When planning your electrical upgrades, please remember that Crow Wing Power is responsible for all equipment up to your metering point, while the homeowner is responsible for any subsequent wiring, including your metering point. Please be sure to include contact information so we can reach you with any questions we may have and to schedule a visit to the premises by one of our Field Engineers.
